Race History:	<p>This RP21 1975/76, originally purchased by Bob and Ted Toleman, and raced by them In 1976. Ted Toleman as we all know went on to form F2 and ultimately the F1 team bearing his name, before being purchased by Benneton. The car was sold to David Wheeler, who campaigned the car in 1977 and 1978. It was originally in dark blue with lighter blue central band, flanked by orange pinstripes which was the same livery that the fleet of car transporters run by the Toleman family carried.</p>
